ATTENTION FACULTY!

YOU ARE INVITED TO PARTICIPATE IN A RESEARCH PROJECT AIMED AT COLLECTING THE BEST PEDAGOGY PRACTICES FOR THE EDUCATION OF NURSING STUDENTS AT ALL ACADEMIC LEVELS ABOUT ENVIRONMENTAL HEALTH AND CLIMATE CHANGE TOPICS.

Are you employed or have been employed as an educator in a nursing academic setting? Are you at least 18 years of age and currently teach or have taught in an academic setting in the United States? Are you ready to make a change to nursing education?
